

ATTENDANCE POLICY

The success of this program depends, among other things, on the full commitment of each participant to the punctuality and attendance at every scheduled program.

Cell phones may be used ONLY during breaks or at lunch, or when presentations or programs have ceased (please refrain from accepting calls and texting during the LNC program day). Each participant must recognize that every other participant has equally pressing business and personal responsibilities, making it necessary for every participant to plan carefully in advance in order to fulfill his/her other obligations.

Late arrival or early departure will be considered a half day absence. Up to 4 hours missed on any program session day will be considered a half day absence from that Leadership North County session.

Up to two full sessions may be missed (including late arrival, early departure and up to 4 hours on any one day constituting a half day). If more than two sessions are missed the participant will not graduate (no refunds will be made).

If late arrival, early departure, or absence is necessary, please contact Linda Hendy, Linda@AtascaderoChamber.org or 805-610-5663 (cell) with as much advance notice as possible. Many of the monthly sessions are sponsored by the non-profits, businesses, and organizations that you are visiting, and a count for both breakfast and lunch is requested at least one week in advance. Please be considerate of our hosts and give plenty of notice for absences.
