

Class Expectations for 2018

1. **Only two (2) full day absences will be allowed.** Class members who skip more than two days will not graduate or become a member of the alumni group. No tuition refund will be given. (See Attendance Policy for details.)
2. Class members are expected to be involved and engaged in the class. The classes are designed to be interactive and class members are encouraged to engage the speakers in dialogue.
3. Cell phones **must be turned off** during class time.
4. In order to ensure vigorous conversation and debate, we request that class members keep the views and opinions expressed by fellow class members within the confines of the class and program day. Confidentiality is encouraged but cannot be guaranteed.
5. It is important to remember that not all views in the class will be the same. There will be diversity of thought and attitude among the class members. Class members should value the differences and use the discussion as a catalyst for learning.
6. Participants are expected to use respect and professionalism at all times while interacting with each other and those they encounter during the course of the year through their involvement with Leadership North County.
7. LNC adheres to the highest standards of conduct and expects its participants to adhere to the same standards, including non-discrimination against any participants with regard to race, age, religion, gender, sexual orientation, disability or any other classification protected by law.
8. Class members are expected to read and complete all pre-requisites prior to the program day.
9. Invoices will be included with invitation letters and will be due March 1, 2018. Tuition will not be refunded if the selected applicant is unable for any reason to complete the year.
10. In the event class expectations are not met by a participant, the LNC advisory committee and the LNC Program Director reserve the right to ask the participant to resign from the program.
