CHAMBER OF COMMERCE

I moved to Atascadero from Virginia with my husband and family in 2000. I've worked in various roles in colleges and universities most of my life. I retired as Manager of Philanthropy/Major Gifts from French Hospital in 2021. In my free time, I am an avid walker (along with my dog, Gunnar) and vocalist. I sing with the Vocal Arts Ensemble and St. Stephen's Episcopal Church, where I am a frequent soloist.

When I first moved to Atascadero, I became a personal member of the Chamber to meet people and support our businesses. I've lived in Atascadero for 21 years, but I always worked in San Luis Obispo. I always felt that I wanted to spend more of my volunteer time in my North County community. So, I became an Atascadero Chamber Ambassador in 2020.
